## Somerset Police Investigate Overnight Murder

Somerset police detectives are currently working a murder investigation that took place overnight.

At 1:44 AM this morning, patrol officers went to 555 McKee Street to speak to Homer Carrender, age 72, about finding his car a short distance from his apartment.

When they arrived, officers were not able to get Carrender to come to the door. Maintenance personnel assisted them and Carrender was found dead inside his apartment. The initial investigation showed Carrender had been the victim of a homicide.

Carrender was pronounced dead at the scene by Chief Deputy Coroner Jim McWhorter. His body was taken to Frankfort this morning where an autopsy was performed.

The case is under investigation by detectives from the Criminal Investigation Division. Detectives have identified a person of interest in the case, but that person's identity has not been released.

SPD units were assisted by the Somerset-Pulaski County EMS, the Pulaski County Coroner's Office, and the Pulaski County Sheriff's Department.

Further details will be released when they become available.
