May 27, 2008

### **SPD Activity for Memorial Day Weekend 2008**

Somerset police units were busy during the Memorial Day holiday this past weekend.

Officers responded to 205 calls for service between 6:00 PM Friday and midnight last night.

There were four arrests for DUI offenses, and four arrests for Alcohol Intoxication. Three arrests were made for drug-related charges, and four people were lodged for having outstanding warrants.

There were eight non-injury accidents and one injury accident.

The injury accident occurred at 10:04 PM Monday night on North US 27 near the Somerset Plaza.

Fredrick Freels, 41, of Dayton, Ohio was driving a 2006 Chevrolet pickup northbound on 27 and was attempting to make a left turn. Freels pulled into the path of a 1998 Chevrolet Cavalier operated by Teresa Wesley, 42, of Eubank. Wesley's vehicle struck a 1983 Wellcraft boat being towed by Freels.

Wesley was treated at the scene by the Somerset Fire/EMS and transported to the Lake Cumberland Regional Hospital. Freels and his passenger, Laura Freels, also of Dayton, Ohio were uninjured.

Seat belts were in use at the time of the accident.

The accident was investigated by Lt. Randy Goff.

There were no major incidents occurring in the city, despite a busy day and evening Saturday with SomerNites Cruise.
